

PARKWOOD INSTITUTE RESEARCH DAY

"Pursuing Techquity through Health Research"

Thursday, May 16th, 2024
8:00am-3:30pm

CALL FOR ABSTRACTS

On behalf of the Planning Committee, you are invited to submit an abstract for poster presentation at this year's Parkwood Institute Research Day, to take place in-person at Parkwood Institute on Thursday, May 16th, 2024. The deadline for submissions is **Friday, March 8th, 2024**.

Research Day is a forum for highlighting research conducted by healthcare professionals, scientists, students, patients, and families at Parkwood Institute Research and affiliated research units. The theme of the 2024 Parkwood Institute Research Day is *Pursuing Techquity through Health Research*.

Abstracts should be a maximum of 250 words and submitted electronically using the [submission portal](#). Any questions or concerns should be directed to PIR_Info@sjhc.london.on.ca. Notification of decisions will be distributed in early April.

ABSTRACT REQUIREMENTS:

- Include a descriptive title;
- List of all authors and indicate if presenter is a student/trainee;
- Summarize the study objectives, method, results, and conclusions;
- Ideally outline implications for care, policy development, and/or future research and evaluation;
- Indicate whether your project has Research Ethics Board approval;
- Acknowledge sources of funding, as appropriate;
- Include three (3) learning objectives for your audience (check acceptability using the [Learning Objectives Tool](#));
- Identify which research theme best describes your submission: (1) Cognitive Vitality and Brain Health; (2) Mental Health; and/or (3) Mobility and Activity.

We will consider submissions for studies currently in progress, with preference given to completed projects. Statements on ethics approval, sources of funding, and the learning objectives will not be included in the word count. Awards will be given for the best presentation in each research theme category.

SUBMISSION DEADLINE: MARCH 8TH, 2024
